Dear Mr. Jones:

Re: United States Patent Application No. 10/687,749
 Title: MODULAR REFRIGERATION UNIT AND REFRIGERATOR
 Applicant: Habco Beverage Systems Inc.
 Inventors: Bryan Fee, Russell Sherlock, Larkyn Lee, Marinko Tepic, Scott Brown
 Filing Date: October 20, 2003

The issue fee was paid in this matter on January 13, 2006. However, the patent has not yet been granted.

As you may recall, you and I had discussed this matter briefly in a telephone conversation on March 13, 2007. I understood that you intended to look into this matter. I also had left a voice-mail message for you about this matter on March 22, 2007, and I also left a voice-mail message for you earlier today.

I would appreciate it if you would advise me of the status of this matter. I assume that the patent will be granted in the near future, but would you please confirm. Thank you very much for your assistance in this matter.

Yours very truly,
GOWLING LAFLEUR HENDERSON LLP
